Paid Summer Internship

NEMR Telecom is taking applications for a paid summer internship at our Green City office located at 718 S. West St., Green City, MO 63545.

This is an incredible opportunity for the right student interested in getting paid while gaining hands on experience in today's world of computer technology.

Qualifications:

Must be interested in internet technology, web design, networking or any computer science based field. Must be a high school, college or technical school student age 16 to 22 years old by May 1, 2018 and have own transportation to and from work. Students less than 18 years of age will need a signed consent from a parent or legal guardian.

How to Apply:

1. Design a 1 to 2 page NEMR Telecom website demo.
(Website design tools such as WordPress, GoDaddy or Wix can be used.)
2. Complete the application on the back of this flyer.
3. Email the demo website and application to **internship@nemr.net**
Must be received before midnight on May 1, 2018.

What's Next?

NEMR Telecom will review entries and select applicants for interviews between May 2-10, 2018. Students will present their website in person to a selection committee (5-10 min.) during the interview. One student will be selected and all applicants will be notified by Friday, May 11th, 2018.

Responsibilities:

Intern will finalize and maintain a newly created website design with guidance from NEMR Telecom's Internet Technology Manager.
Intern will work beside the IT manager gaining knowledge in other areas such as computer networking, programming and repair.
Intern will report to work no more than 17 hours per week at \$10/per hour.

NEMR Telecom is a rural telecommunications company offering fiber optic high speed internet, television and Landline Telephone service in nearly all our service areas.
