Dear Students and Parents,

We are excited to welcome you to the 2019-2020 school year and hope that you all had an enjoyable summer. We are looking forward to working together with students and their families to make this the most successful school year yet. Our teachers and staff have been working hard to prepare for each and every student who walks through our doors.

We know it takes a village to raise a child, so this year administrators and counselors will be reaching out to work with families and the community to strengthen our village. We know that it is not always convenient to meet during normal business hours. Our plans include going to visit families at a time that works for them, possibly at their home or meeting at a local business for coffee. We may work with churches and other local organizations to host.

The goal for all of this is to show our students that we are all a part of one big team that is shaping and helping them grow into a successful adult and community member. This could also be an excellent opportunity to discuss any questions or issues that may arise. If we all join together with the best interest of our students, we can better hope to achieve positive results.

Please call 660-947-3361 if you would like to set a specific time.

Sincerely,

Donna Altiser - Elementary Principal, ext. 317

Andrew Garber - Middle School Principal, ext. 343

Tiffani Klinginsmith - High School Principal, ext. 306
